FOR THE DISTRICT OF OREGON**

**CLARENCE CARR and SHAKIRA CARR,  
Petitioners,**

**v.**

**OREGON DEPARTMENT OF HUMAN SERVICES (ODHS), et al.,  
Respondents.**

**Case No.: 1:25-cv-00242-MC**

**PETITION FOR WRIT OF HABEAS CORPUS PURSUANT TO 28 U.S.C. §2241**

---

**INTRODUCTION**

Petitioners Clarence Carr and Shakira Carr, proceeding pro se, respectfully submit this Petition for Writ of Habeas Corpus under 28 U.S.C. §2241, seeking immediate relief from the unlawful restraint imposed by the Oregon Department of Human Services (ODHS) and related state actors through the wrongful removal of their children without due process of law. The actions of Respondents have resulted in a deprivation of fundamental parental rights under the Fourteenth Amendment, necessitating immediate judicial intervention.

**JURISDICTION AND VENUE**

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §2241, as Petitioners are being unlawfully deprived of their fundamental parental rights.
2. Venue is proper in the District of Oregon pursuant to 28 U.S.C. §1391(b), as the events giving rise to this petition occurred in Jackson County, Oregon.

3. Petitioners allege violations of their First, Fourth, Fifth, Sixth, Eighth, Ninth, and Fourteenth Amendment rights, making federal question jurisdiction proper under 28 U.S.C. §1331.

## **PARTIES**

- Petitioners: Clarence Carr and Shakira Carr, natural parents whose fundamental rights have been violated through the unlawful removal of their children.
- Respondents: Oregon Department of Human Services (ODHS), various CPS agents, Medford Police Department, Officer Cleo Harvey, Jackson County Circuit Court, Attorney General Jeremy Karns, and any and all persons acting in concert to deprive Petitioners of their constitutional rights.

## **STATEMENT OF FACTS**

1. On October 13, 2023, ODHS agents and Medford Police officers, including Officer Cleo Harvey, removed Petitioners' children without a valid protective custody order and in violation of federal and state law.
2. The Protective Custody Orders and supporting declarations were not filed until October 16, 2023, demonstrating that the removal was conducted without lawful authority.
3. Evidence of fraud and document tampering has been uncovered, including:
  - Protective Custody Orders with altered filing dates.
  - Officer Harvey altering the language of the Protective Custody Order during the removal on body cam.
  - Denial of access to discovery materials for over a year.
  - Police body camera footage confirming the Protective Custody Orders lacked jurisdiction at the time of removal or case number.
4. Discovery withheld for over a year: Petitioners did not receive their case-related discovery materials until November 6, 2024, for Clarence

Carr, and November 19, 2024, for Shakira Carr, despite the case beginning on October 13, 2023.

5. Fraudulent Manipulation of Court Documents:

- The children were removed from Petitioners' custody on October 13, 2023, yet no Protective Custody Orders or Declarations for Protective Custody were filed until October 16, 2023.
- The Protective Custody Orders were retroactively altered to reflect an October 13, 2023, filing date, despite the actual filing occurring three days later.
- Digital manipulation is evident in case number 23JU05153, where the timestamp "OCT 16" is still visible beneath modifications, proving backdating.
- Body camera footage confirms that the Protective Custody Order read by Officer Harvey contained incomplete jurisdictional language, stating: "This court does or does not [have jurisdiction]." Officer Harvey fraudulently reworded it to falsely state, "This order provides jurisdiction."

6. Denial of an impartial tribunal: The juvenile court exhibited bias, failing to afford Petitioners a fair opportunity to challenge the removal.

7. Violation of the Sixth Amendment right to confront witnesses: Petitioners were denied the right to cross-examine key CPS workers and officers involved in the removal.

8. Eighth Amendment violation: The state's actions amount to cruel and unusual punishment by inflicting prolonged psychological harm on Petitioners and their children.

9. Ninth Amendment violation: The state's actions infringe upon unenumerated fundamental parental rights, which are protected under the Ninth Amendment.

10. State actors conspired to deprive Petitioners of their parental rights in violation of 42 U.S.C. §1983 and 18 U.S.C. §241 and §242, making this a matter for federal habeas review.
11. Unlawful placement and safety concerns: Children were placed in overcrowded foster care environments, including residences with known drug users under parole supervision.
12. Selective enforcement and discriminatory treatment: Petitioners were denied services routinely provided to similarly situated parents, showing an abuse of federal funding and procedural bias.
13. Retaliatory reduction of visits: Respondents reduced Petitioners' visitation rights without justification or due process, further alienating them from their children.

## **GROUND FOR RELIEF**

### **Ground 1: Violation of the Fourth and Fourteenth Amendments**

Respondents conducted an unlawful warrantless seizure of Petitioners' children, violating the Fourth Amendment's protection against unlawful searches and seizures and the Fourteenth Amendment's guarantee of due process. See *Santosky v. Kramer*, 455 U.S. 745 (1982).

### **Ground 2: Denial of Procedural Due Process**

Petitioners were denied access to crucial court documents and discovery materials for over a year, depriving them of a meaningful opportunity to challenge the removal, violating *Mathews v. Eldridge*, 424 U.S. 319 (1976).

### **Ground 3: Fraud and Misrepresentation by State Actors**

Evidence demonstrates that state actors manipulated legal documents to justify the removal after the fact, violating *Mapp v. Ohio*, 367 U.S. 643 (1961) and *Giglio v. United States*, 405 U.S. 150 (1972).

### **Ground 4: Violation of the Indian Child Welfare Act (ICWA)**

Respondents failed to comply with ICWA 25 U.S.C. §1901 et seq., depriving Petitioners of federally mandated protections for Native American children.

**Ground 5: Conspiracy to Deprive Constitutional Rights**

State actors engaged in a coordinated conspiracy to deprive Petitioners of their parental rights, violating 42 U.S.C. §1983 and criminal statutes 18 U.S.C. §§241, 242.

**RELIEF REQUESTED**

**Petitioners respectfully request that this Court:**

1. Issue a Writ of Habeas Corpus directing the Respondents to immediately rectify the unlawful seizure of their children.
2. Order an evidentiary hearing to review the fraudulent removal process.
3. Declare that ODHS's actions were unconstitutional and violated Petitioners' rights under the Fourth, Fifth, Sixth, Eighth, Ninth, and Fourteenth Amendments.
4. Declare that Petitioners' children be returned immediately to their custody.
5. Refer this matter for federal investigation under 18 U.S.C. §§241, 242.
6. Grant any other relief deemed just and proper.

## **WITNESS STATEMENT**

**State of Oregon**

**County of Jackson**

**I, Shakira Carr, being duly sworn, declare under penalty of perjury that the following statements are true and correct to the best of my knowledge and belief.**

### **Statement of Facts**

- 1. On November 19, 2024, I received copies of my discovery. Despite the case commencing on October 13, 2023, it took over a year for me to receive these materials. My husband, Clarence Carr, received his discovery on November 6, 2024. This delay severely impacted our ability to defend ourselves and challenge unlawful actions taken against us.**
- 2. Repeated Denial of Access to Case-Related Documents. Numerous requests were made to court clerks and reporters for case-related documents, yet they consistently failed to provide them. When the documents were finally obtained, I discovered clear evidence of manipulation and fraud.**
- 3. Children Taken Before Any Legal Filing. On October 13, 2023, our children were removed from our custody before any Protective Custody Orders or supporting Declarations were filed. The required documents were not submitted until October 16, 2023, proving the removal was illegal and lacked jurisdiction.**
- 4. Fraudulent Alteration of Court Documents. The Protective Custody Orders and accompanying Declarations were falsified to reflect an October 13, 2023, filing date when, in reality, they were not filed until October 16, 2023. Evidence of digital manipulation is visible, including remnants of the original "OCT 16" timestamp and overlapping text on the court filings.**
- 5. Contradictory Documentation. The Protective Custody Order bears a state stamp with a filing date of October 16, 2024, while the Declaration for Protective Custody is dated October 13, 2023. These discrepancies indicate fraudulent post-dated filings intended to retroactively justify the unlawful removal of my children.**
- 6. Denial of Certified Copies. The court has refused to provide certified copies of official records, obstructing transparency and raising further suspicion regarding the authenticity of the documents.**

- 7. Body Camera Evidence Proving Jurisdictional Fraud.** Police body camera footage from the October 13, 2023, removal shows Officer Cleo Harvey reading an incomplete Protective Custody Order stating, "This court does or does not [have jurisdiction]." Officer Harvey then falsely declares, "This order provides jurisdiction," in an attempt to legitimize an invalid order. The footage further reveals that the declarations were made at the time of removal, not prior, making it legally impossible for them to have been properly submitted beforehand.
- 8. Misconduct by Child Protective Services (CPS) and Law Enforcement.** CPS agents Ashley Glover, Clarissa Spencer, Rebecca Leonard, Jennifer Nie, Christopher Stone, and Tanny Flowers acted unlawfully by violating due process rights, coercing compliance under threats, and failing to make any reasonable efforts toward reunification.
- 9. Medford Police Complicity in Illegal Removal.** Officers, including Cleo Harvey, assisted CPS in executing an unlawful removal, forcefully entering my home without proper jurisdiction and later manipulating official documentation to justify their actions.
- 10. Conflicts of Interest and Attorney Misconduct.** Attorneys representing ODHS, including Jeremy Karns, Ryan Pech, Risa Hall, Kaitlin Kelly, and Adrianna Rinehart, knowingly acted in conflicts of interest, failed to provide effective representation, and obstructed justice by disregarding clear violations of my rights.
- 11. CPS and DHS Misuse of Taxpayer Funds.** DHS and CPS agents authorized state funds to house known fugitives, including Jordan Farris and Nicholas Savage, at the Rogue Regency Inn in Medford, Oregon, facilitating their visitation with my children. This is a clear violation of ORS 162.325 (hindering prosecution) and represents a misuse of public funds meant for child welfare.
- 12. Unsafe and Illegal Foster Care Placement.** DHS knowingly placed my children in a foster home with an individual undergoing active drug treatment, failing to disclose this information. This placement directly violated ORS 419B.192, which mandates safe and appropriate placements for children.
- 13. Attorneys Billing for Services While Providing No Legal Representation.** Attorneys assigned to my case billed the state for legal services despite failing to file motions, respond to critical legal issues, or provide any meaningful advocacy. This violates ORS 9.460, which mandates ethical representation.

## **WITNESS STATEMENT**

**State of Oregon**

**County of Jackson**

I, Clarence Carr, being duly sworn, declare under penalty of perjury that the following statements are true and correct to the best of my knowledge and belief.

### **Statement of Facts**

1. **On November 6, 2024, I received copies of my discovery.** Despite the case commencing on October 13, 2023, it took over a year for me to receive these materials. My wife, Shakira Carr, received her discovery on November 19, 2024. This delay severely impacted our ability to defend ourselves and challenge unlawful actions taken against us.
2. **Repeated Denial of Access to Case-Related Documents.** Numerous requests were made to court clerks and reporters for case-related documents, yet they consistently failed to provide them. When the documents were finally obtained, I discovered clear evidence of manipulation and fraud.
3. **Children Taken Before Any Legal Filing.** On October 13, 2023, our children were removed from our custody before any Protective Custody Orders or supporting Declarations were filed. The required documents were not submitted until October 16, 2023, proving the removal was illegal and lacked jurisdiction.
4. **Fraudulent Alteration of Court Documents.** The Protective Custody Orders and accompanying Declarations were falsified to reflect an October 13, 2023, filing date when, in reality, they were not filed until October 16, 2023. Evidence of digital manipulation is visible, including remnants of the original "OCT 16" timestamp and overlapping text on the court filings.
5. **Contradictory Documentation.** The Protective Custody Order bears a state stamp with a filing date of October 16, 2024, while the Declaration for Protective Custody is dated October 13, 2023. These discrepancies indicate fraudulent post-dated filings intended to retroactively justify the unlawful removal of my children.
6. **Denial of Certified Copies.** The court has refused to provide certified copies of official records, obstructing transparency and raising further suspicion regarding the authenticity of the documents.
7. **Body Camera Evidence Proving Jurisdictional Fraud.** Police body camera footage from the October 13, 2023, removal shows Officer Cleo Harvey reading an

incomplete Protective Custody Order stating, "This court does or does not [have jurisdiction]." Officer Harvey then falsely declares, "This order provides jurisdiction," in an attempt to legitimize an invalid order. The footage further reveals that the declarations were made at the time of removal, not prior, making it legally impossible for them to have been properly submitted beforehand.

8. **Misconduct by Child Protective Services (CPS) and Law Enforcement.** CPS agents Ashley Glover, Clarissa Spencer, Rebecca Leonard, Jennifer Nie, Christopher Stone, and Tanny Flowers acted unlawfully by violating due process rights, coercing compliance under threats, and failing to make any reasonable efforts toward reunification.
9. **Medford Police Complicity in Illegal Removal.** Officers, including Cleo Harvey, assisted CPS in executing an unlawful removal, forcefully entering my home without proper jurisdiction and later manipulating official documentation to justify their actions.
10. **Conflicts of Interest and Attorney Misconduct.** Attorneys representing ODHS, including Jeremy Karns, Ryan Pech, Risa Hall, Kaitlin Kelly, and Adrianna Rinehart, knowingly acted in conflicts of interest, failed to provide effective representation, and obstructed justice by disregarding clear violations of my rights.
11. **CPS and DHS Misuse of Taxpayer Funds.** DHS and CPS agents authorized state funds to house known fugitives, including Jordan Farris and Nicholas Savage, at the Rogue Regency Inn in Medford, Oregon, facilitating their visitation with my children. This is a clear violation of ORS 162.325 (hindering prosecution) and represents a misuse of public funds meant for child welfare.
12. **Unsafe and Illegal Foster Care Placement.** DHS knowingly placed my children in a foster home with an individual undergoing active drug treatment, failing to disclose this information. This placement directly violated ORS 419B.192, which mandates safe and appropriate placements for children.
13. **Attorneys Billing for Services While Providing No Legal Representation.**  
Attorneys assigned to my case billed the state for legal services despite failing to file motions, respond to critical legal issues, or provide any meaningful advocacy. This violates ORS 9.460, which mandates ethical representation.
14. **Bias in Legal Proceedings.** Despite procedural defaults, no attorneys have responded to motions, and they continue arguing against me due to the judge's improper denial of default. This has resulted in a grossly biased proceeding that unfairly disadvantages me and my family.

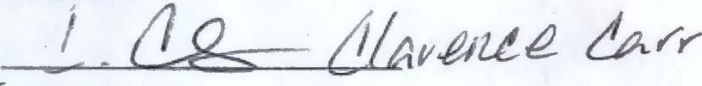

15. **Unlawful Disclosure of Confidential Information.** CPS agents released confidential records to unauthorized individuals, violating ORS 419B.035, which protects private case details from being disclosed without proper authorization.
16. **Obstruction of Family Reunification.** Despite ORS 419B.090, which mandates efforts to preserve and reunify families, CPS and the court have actively obstructed reunification, refusing to allow visitations and withholding information that would facilitate family reunification.
17. **Failure to Address Judicial and Procedural Misconduct.** The court has ignored multiple filings challenging the jurisdictional defects, fraudulent documentation, and ethical violations by attorneys and CPS agents. This inaction further deprives me of due process and a fair trial.

---

### Conclusion

The removal of my children on October 13, 2023, was executed without lawful authority, as there were no valid Protective Custody Orders or Declarations for Protective Custody on record at that time. The subsequent fraudulent alterations of court documents were done to retroactively establish a false legal basis for the removal. Additionally, the misuse of taxpayer funds, conflicts of interest among legal representatives, and unsafe foster care placements highlight systemic corruption within ODHS and the judiciary. The continued refusal to acknowledge these violations has severely impacted my rights as a parent and must be investigated immediately.

I declare under penalty of perjury that the foregoing statement is true and correct to the best of my knowledge and belief.
